

MEMORANDUM

DATE: February 10, 2010

TO: KCSA Associate Members and Safety Committee

FROM: Ronald Gray

RE: Safety Awards

Enclosed please find the KCSA **Associate** Member Safety Contest Report Form for 2010 below this memorandum. Complete the form and return to the KCSA office no later than May 3, 2010. Note that the awards are based on **MSHA reportable injuries** (not lost-time injuries), while working at a KCSA member company operation.

We will also give special awards to companies who have gone several years without a **lost-time injury** while working at a KCSA producer member company operation. Such outstanding safety records deserve to be recognized since they demonstrate a company's real commitment to the safety of their employees. Complete the form and return to the KCSA office no later than May 3, 2010.

The awards for the Safety Contest and the Milestone Awards will be presented at the Summer Meeting at Gaylord Opryland Resort , Nashville, TN.

Please call the KCSA office if you have any questions.
